

# Patient Participation Group (PPG)

## Role of the PPG

- To work with the practice to make it a great place to work and receive care as a patient.
- The practice informs the PPG of what is happening from the CCG (commissioning group), and what is happening within the practice.
- PPG discuss with Practice “How do we help”
- Help with implementing any changes.
- To develop a structure that gains the views of the patients and enables the practice to obtain feedback from the practice patient population.
- Act as a critical friend to the practice by helping it appreciate and understand what patients are thinking and saying about matters within the practice.

## Getting Involved

We need more patients to join the group

Choose the level and degree of involvement that suits you best, whether as a member of the Group or just helping out once in a while.

It is all voluntary and each contribution is appreciated and valued.

The group meets each month.

Alternate months we meet with the Practice Manager and a GP

### **It's not too late to be involved!**
